- Manages and is proficient with the institutional software systems that the Foundations uses in regards to grantmaking, including the ability to have the system produce reports and responses to inquiries and grants histories, as requested
- Performs data entry and analysis as necessary

QUALIFICATIONS

- Bachelor's degree, preferably with relevant experience in the local not-for-profit industry
- Excellent time management and organizational skills
- Experience in database information and reporting for proprietary database software
- Strong interpersonal skills and demonstrated ability to establish and maintain effective relationships with persons of diverse backgrounds and organizations through the WNY community
- Effective at communicating in a persuasive, credible manner, in person, in digital settings and in writing and presentations
- Computer proficiency in all Microsoft components along with good technology and computer presentation skills
- Experience working with confidential information

About the Foundation:

The Foundation is a public charity dedicated to helping clients/donors make the most of their generosity. Our mission is connecting people, ideas and resources to improve lives in Western New York. For 98 years the Foundation has managed endowment funds for individuals, families and organizations, and is currently home to over 800 named funds. The Foundation has a very clear vision: A vibrant and inclusive Greater Buffalo region with opportunity for all.

The Foundation is seeking a professional that is enthusiastic and dedicated to ensuring that the Foundation's community goals are met, within the following four priority areas:

- Improve educational achievement for students living in low-income households
- Increase racial/ethnic equity
- Enhance and leverage significant natural resources
- Strengthen the region as a center for architecture, arts & culture
