2018 Competitive Grant Application General Information and Schedule

Background

The Wyoming Foundation was established in 1974 by Dr. James MacCallum as a means to improve the quality of life in Wyoming County. Since 1977, the Wyoming Foundation has actively supported a wide variety of cultural, educational and human services organizations.

In 2017, the Wyoming Foundation awarded grants to seven not-for-profit organizations in Wyoming County that support a wide variety of community needs.

2018 Competitive Process

In 2012, the Wyoming Foundation, in conjunction with the community and non-profit professionals, undertook a survey to identify the most pressing needs of Wyoming County. The 2012 Needs Assessment of Wyoming County was introduced to the public at a September forum.

You may review the Needs Assessment at <http://www.cfgb.org/2012-wyoming-county-needs-forum/>

Through this Needs Assessment, the Wyoming Foundation has identified two priorities for its work in the county:

- To provide educational opportunities to youth, which equip them for future careers.
- Support and promote arts/cultural opportunities in Wyoming County.
- The Wyoming Foundation will support initiatives and programs that can show maximum positive impact on Wyoming County.

For its 2018 competitive grants process, the Wyoming Foundation will give funding preference to grant applications focusing on its two priorities.

For 2018, approximately \$33,000 is available to support competitive grants. The maximum grant available through the Wyoming Foundation competitive process is \$5,000.

Collaborative projects are encouraged.
