Community Foundation for Greater Buffalo 2024 Daniel C. and Beatrice M. Fisher Fund Grant Guidelines

Background/Criteria

Daniel C. Fisher, MD, and Beatrice M. Fisher were longtime residents of Clarence Center, NY. The two were married the summer of 1925 and had one son, George Byron, the following year.

Dr. Fisher established his practice in Clarence Center in January 1925 and was very involved in the community during his lifetime. Of his many achievements, most notable are:

- He was key in the decision to locate a branch of Millard Fillmore Hospital in Amherst.
- He was the first president of the Erie County Board of Health when the organization was established in 1947 and served in that role for 12 terms.
- He was also president of the New York State Association of School Physicians and the Medical History Society of Western New York.
- He was on the staff of Sisters, Millard Fillmore, St. Francis, and Lockport Memorial hospitals at various times before retiring in 1971.

The Fishers both had a history of contributing time and resources to the social, professional, and civic non-profits of Western New York with a particular focus on their town of residence. By establishing this fund in their names at the Community Foundation for Greater Buffalo, they ensured they'll continue their life-long commitment to the betterment of the Town of Clarence in perpetuity.

Dr. and Mrs. Fisher's wills state that this fund annually support *public educational, charitable, recreational, conservation, cultural, or benevolent uses and purposes as may benefit persons living in the Town of Clarence of the County of Erie.*
